

## Value Adding Accessories & Options

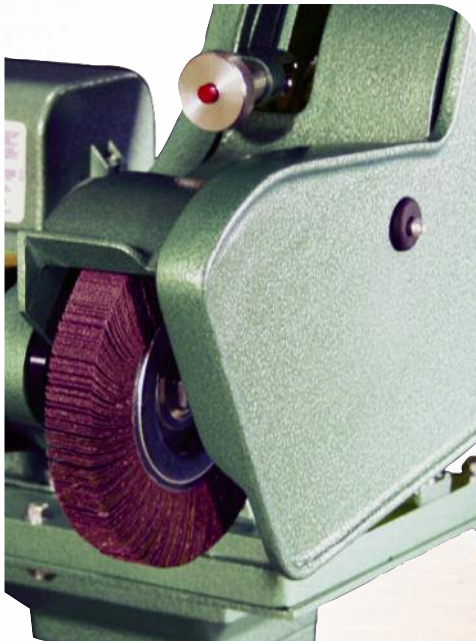

### NARROW BELT GRINDING

The optional 702N "Narrow Wheel" uses a 1/2" x 60" abrasive belt, for tight radius and loose belt grinding.

### NYLON WHEELS AND ADAPTERS

Wheel adapters are available in popular widths to economically convert your grinder to a nylon finishing machine capable of graining, polishing and deburring for special applications.

### GRINDERS AND BUFFERS

Readily accepts flap, nylon, buffing, wire, and pneumatic wheels using inexpensive adapters.

### WHEEL ADAPTERS

Accessories expand Burr King grinders and polishers.
